Dear Sirs/ Madam

**RE: CCT 52/21 JG ZUMA // SECRETARY OF THE JUDICIAL COMMISSION OF INQUIRY INTO ALLEGATIONS OF STATE CAPTURE, CORRUPTION AND FRAUD IN THE PUBLIC SECTOR INCLUDING ORGANS OF STATE**

1. The above matter bears reference.
2. We confirm that we act on behalf of the Hola Bon Renaissance Foundation NPO (“our client”), a non-profit organization that seeks to ensure that all citizens enjoy their rights under the constitution of the Republic of South Africa, to the fullest. Our client represents the #HandsOffMsholozzi Support Group, a group made up of clergy and patriots, which seeks to achieve the release and ending of the continued persecution of the former President, JG Zuma, through nonviolent means and meaningful engagement with the relevant stakeholders.
3. Our client requests that the Honourable Ministers and Honourable Court, release the former President, JG Zuma, from imprisonment with immediate effect. It is our client’s stance that all citizens must be charged, trialed and sanctioned as per the laws of the land. Furthermore, in the spirit of Ubuntu and in cases of non-violent crimes, the accused, should be sentenced to the least severe form of punishment, which may include:-
  - 1.1. house arrest;
  - 1.2. a suspended sentence; and/or
  - 1.3. a fine.
4. It is our client’s position that the sentence meted out to the former president, taking into account, his advanced age is not in line with the values, spirit and purport of the constitution, specifically the right to dignity, and not to be deprived of freedom arbitrarily or without just cause.
5. Owing to the courts, more specifically the Constitutional Court, being the guardian of the vulnerable, we humbly suggest that the Honourable Court commute the sentence of the former president to be a suspended sentence or in the alternative house arrest.

6. Our client has circulated a petition that has been signed by over 22 000 (twenty two thousand) South African citizens across the country. The petition is available on the following link <http://chnq.it/9NQtbhjF>. Attached hereto kindly find a list of citizens who have signed the petition.
7. Our client trusts that the Honourable Minister and the Honourable Court are not impervious to the current unrest besetting the country owing to the sanction proffered against the former President. This is an indication of the general unhappiness towards the Honourable Courts decision.
8. Our client is of the belief that the Honourable Minister and the Honourable Court will do what is correct and rescue the situation from getting further out of hand, that includes granting the former President an immediate release pending the deliberations in respect of the review application in front of the Honourable Court.
9. Further, please find attached a letter from our client.
10. We look forward to receiving your response.

Yours faithfully,
