**LETTER REQUESTING IMMEDIATE RELEASE OF THE FORMER PRESIDENT
JACOB ZUMA AND AN URGENT RESPONSE TO OUR QUESTIONS HEREIN**

Dear Chief Justice Mokgoeng Mokgoeng and Co

1. We are a group of South African writing this letter with full cognizance and knowledge that you are on leave yet Deputy Acting Chief Justice Zondo, we hereby request your urgent response. We represent a petition of South Africans as attached and compiled under #HandsOffMsholozzi Support Group.
2. It is our understanding that all South Africans must be charged and trialed under the Criminal Laws and Constitution of our Country, which protects all citizens whereby the courts are guided by the constitution of our Country that imprisonment sentence is the last to be executed at the court and not a

- Constitutional Court. However you may support us with rules that permitted the Constitutional Court to issue such sentence.
3. It is in that same understanding that we wish to further submit the following requests:
 - a. That Former President Jacob Zuma to be released from prison to avoid the conflict that may arise in the country which will endlessly turn into a chaotic situation just for the expression of the supporters behind him
 - b. It is our understanding that the Constitutional Court is not a criminal court and therefore seek clarity on which rule of the Constitutional Court was used to issue a sentence to arrest Former President Jacob Zuma.
 4. We further like to bring the Honorable Chief Justice Mogoeng Mogoeng and the Acting Honorable Justice Zondo on another matter that confused us which was executed by the constitutional court member herein referred as Honorable Justice Mogoeng Mogoeng which also left us as South Africans in dismay.
 5. We take note that Former President Jacob Zuma tendered a resignation letter on the 14th of February 2018 and immediately on the 15th February 2018 Mr. Cyril Ramaphosa was sworn in on National television witnessed by the entire Country. However no explanation was provided by yourself Honorable Justice Mogoeng Mogoeng, as to why you are accepting the resignation of Former President Jacob Zuma while he was sworn in as President and never honored us with the decency to guide us why this can be done outside Parliament where Presidents are sworn in.
 6. Which constitutional laws, rules and guidelines of South African Parliament permitted yourself to execute such an act prior to the opening of Parliament, where on normal circumstances Presidents, Deputy Presidents and Members of Parliament are sworn on when parliament is open? This will help us to understand that the Constitutional Court and Parliament were never misguided by the politicians of the ANC which is the ruling party of government. That would also clear the rumor that is moving around that Constitutional Court Judges and High Court Judges are captured.
 7. There is a general sense that the Constitutional Court does as it wishes and does not comply with its own laws and prescripts and has thereby become a law on its own, forever changing and bringing about an imbalance of justice. For the

Constitutional Court to issue a sentence in itself means it has violated its rules and violated the constitution. Setting a wrong precedence same as when the Constitutional Court Judge protected a criminality act of our now standing president Mr. Cyril Ramaphosa who refused to open CR17 Bank Accounts which are demanded by the nation, thus sending the message that the Constitutional Court Judges can protect criminal act. It is on this basis that we request an immediate release of the Former President Jacob Zuma and an urgent response to our questions above.

8. Failing which will lead to us petitioning for the disbandment of Parliament and the Judiciary in itself.
9. We humbly request your urgent response within 5 working days, on order for us to consult further with South Africans who have mandated us to submit this petition.
10. Your urgent response would be highly appreciated

Regards
