## NOTICE OF MOTION

---

PLEASE TAKE NOTICE that HOLA BON RENAISSANCE FOUNDATION NPO(hereinafter called the Applicant) intends to make an application to this Court for an order stating that:

1. Section 129 of the Children's Act 38 of 2005, is inconsistent with the Constitution of the Republic of South Africa, 1996 ('the Constitution') and invalid insofar as it excludes informed consent under pandemic scenarios when *en masse* medical experiments are conducted on an entire children populace (under the age of 18 and above the age of 12- 'the children'), in the absence of medium and or longitudinal effects of a medical procedure that is unclear and or yet to be determined.
2. In terms of Section 129(2), children cannot give informed consent to a medical procedure during pandemic circumstances in *en masse* medical experiments that do not comply with the Declaration of Helsinki as well as the Second Respondent's 2020. *South African Good Clinical Practice: Clinical Trial Guidelines*, as

the benefits, risk, social implications of a newly tested medical procedure has not been fully realised and or lack imperative medium to long term study data on the real benefits, risk and social implications, and thus it is against the Constitutional best interest of a child in terms of Section 28(2) of the Constitution which states that '*A child's best interests are of paramount importance in every matter concerning the child*'.

And for such other ORDER or ORDERS as shall be just and equitable including an order for costs.

The accompanying Affidavit with attached annexures of **BOUTSHITSWE PREDDY MOTHOPENG MSIELENG** will be used in support thereof.

Take notice further that the Applicant has appointed **BOUTSHITSWE PREDDY MOTHOPENG MSIELENG**, 88 Marshall Street, 2<sup>nd</sup> floor Samanco, Johannesburg, Gauteng, South Africa, email: [hbrfoundation@gmail.com](mailto:hbrfoundation@gmail.com) as the address at which they will accept Notice and Service of all process in these proceedings.
