Re: LETTER OF OBJECTION

HBR (Hola Bon Renaissance) Foundation hereby object the registration of a political party under the name Agang SA to be registered by Honourable Dr Ramphela Mamphela with the IEC on the grounds that we have reserved the name Agang with Company and Intellectual Property Commission Registration trade marks Act 194 of 1993 No. 2013/08960 Classification 45.

This objection is brought under the stipulated Electoral Commission Act 54 of 1996 Chapter 4 Section 16.

It would therefore be an infringement of the Trade Marks Act for our name (Agang) to be used without our concern. Hence we are in consultation with our legal team which we will instruct to communicate further with you.

Hope our request will be granted.

Thanks in anticipation
